ICTAZ

Manifesto

PROFESSIONAL DEVELOPMENT CHAIRPERSON

AK 4 PDC

ANDREW KAMPOLO

VISION

- Creating Impact, Value and Mutual benefits for all ICT Professionals in Zambia.

- Elevating the excellence of all ICTAZ members through innovative professional development programs.
FRIDAY 5 APRIL, **2024**

Avani Resort Livingstone, ZM

Dear Esteemed Members of the ICT Association of Zambia,

I am honoured to present my candidacy for the position of Professional Development Chairperson, with a resolute commitment to shaping the future of our esteemed association. Given the mandate, my visionary leadership and experience as ISACA Education and Academics Chair and President will elevate excellence in the ICT sector for our mutual benefit.

I have over 15 years of extensive experience in IT, Technology Risk, and Information Security leadership complemented by an MBA in Management from the University of Nicosea and a BSc. in Computer Science from CBU, Certified Information Systems Auditor and various ISO 27001 Certifications. I bring a wealth of knowledge and a proven track record from experience with ISACA that is pivotal to the role of Professional Development Chairperson for ICTAZ.

My candidature is built on my vision to "**Create Impact, Value, and Mutual Benefit for all ICT Professionals in Zambia**." My vision for the ICTAZ Professional Development Chairperson role is grounded in elevating the excellence of our members through innovative professional programs that will encompass all sectors.

My strategic leadership style will help ICTAZ develop and implement professional programs, certifications and skills for our profession to be a respected and trusted partner for development by bringing alive emerging trends while fostering innovation. Over the next three years, I pledge to achieve the following core objectives:

• Establish a robust framework for strategically aligning professional development initiatives with industry trends and advancements.
• Position ICT as a trusted and respected profession for national development by fostering collaborations with key stakeholders, institutions, and regulatory bodies.
• Implement initiatives that enhance technical skills and cultivate a culture of ethical practice and professional integrity.
• Introduce and enhance professional development programs designed to create immutable value for all members, catering to diverse skill levels and experiences.
• Foster innovation using the latest industry standards and emerging technologies through a comprehensive framework for holistic empowerment, encompassing skill development, mentorship programs, and networking opportunities.
• Actively collaborate with industry leaders, educational institutions, and community organizations to provide our members with a well-rounded professional growth experience.

I invite you to join me in this transformative journey towards a future where ICT professionals thrive and innovate. Working together, we will fortify our association as a beacon of knowledge and collective success.

Vote Andrew M. Kampolo for ICTAZ Professional Development Chairperson.

Andrew M. Kampolo- MBA | CISA | ISO | CISO

Member Value Proposition (MVP)
